

In the breakfast room, a Gubi pendant from Design Within Reach hangs above a table and chairs from Poliform. The Conrad shades are integrated with the home's Crestron system. The windows, as throughout the home, are from Jeld-Wen Windows & Doors.

**Above:** The custom kitchen, designed in collaboration with Christopher Peacock, features integrated Gaggenau and Sub-Zero appliances, a Miele coffee system and Vivreau water-filtration systems. The prep island incorporates a Kallista sink and a Blanco faucet, both purchased at Klaffs.

**Left:** Hollingsworth outfitted the kitchen's prep island with a Julien sink and a Blanco faucet from Klaffs. Shoreline Painting & Drywall finished the cabinetry with a Fine Paints of Europe satin lacquer.
